MEMORANDUM FOR: OBGI Division Chiefs

SUBJECT: Unofficial Professional Activities

1. Agency regulations cover outside activities such as part-time employment, non-Agency approved courses, speeches, and publications.

2. At a recent staff meeting, it was requested that attention should be given to those activities not covered by official regulations, namely, assignments to committees, special task forces, etc., within the professional societies membership of which is already approved. Also included is membership on advisory groups such as the National Academy of Sciences, International Geographical Union, International Cartographic Association, and similar activities.

3. It will be the responsibility of each division to report such activities of its personnel in a memo addressed to D/BGI through DD/BGI. STATINTL
